SEPTEMBER 8, 2008**

PRESENT: Don Burke, Janet Brown, Rob Gordon

GUEST: Judy Rogers

Meeting called to order @5:00pm.

The August minutes were read and accepted.

Don Burke attended the CIP meeting. Our plans for the 2009 season is to replace fencing at Center Square and Pine Grove Cemetery. Oil Mill Cemetery still on hold it will be completed once Carl does the road on River Road. We also have a stone wall collapsing on Rte. 77 at the Dow Peaslee Cemetery which will have to be all taken down and reset. We hope this wall will survive this winter.

Don will contact Cutting Blade about complaint about lawn care not done at Oil Mill Cemetery.

Judy Rogers will research the Revolutionary Cemetery marker that was received by Guy LaPorte as to which cemetery grave site it belongs to.

Collins Cemetery is ready to have Andy finish the corner stone wall. We will be hydroseeding inside cemetery this month. Carl and Highway Dept. will be loaming front of cemetery.

Meeting adjourned at 6:10p.m.

Respectfully submitted,

Janet Brown
